

# SONOMAX

SOLUTIONS FOR ULTRASONIC CUTTING AND WELDING

## POULTRY

PRACTICAL USE  
AND HYGIENE ABOVE ALL ELSE

## SOLUTIONS

EGG BELT  
MANURE BELT  
VARIOUS COMPONENTS

## SX MODEL

Portable ultrasonic generator designed for spot welding

Power: 250-400W

Frequency: 40kHz

Supply voltage : 230V 50/60Hz upon request 115-240V)

Digital timer

Output ultrasonic indicator

Bargraph led of absorbed power

Welding mode: timer and continuous

Connecting cable 5 m. (longer length upon request)

PP protective suitcase for easy carriage
